Head and Ears ...

Touch each part named, then flap elbows (like a bird).
 When you reach the toes, tap the ground.
 Curl up, then uncurl and stretch
 (this may take a little time, so be prepared for a delay here!).
 And the singers will simply love wiggling their bottoms!

Spring has Splashy Rain ...

Playing in the Sunshine...

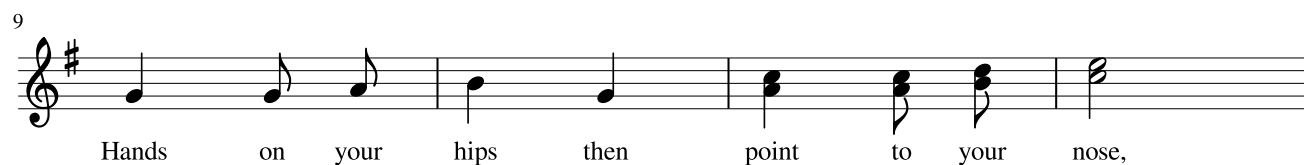

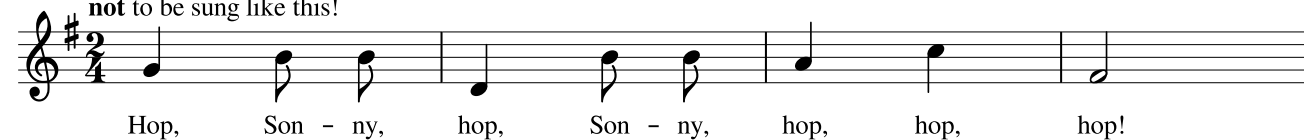

Buzz, buzz, buzz ...

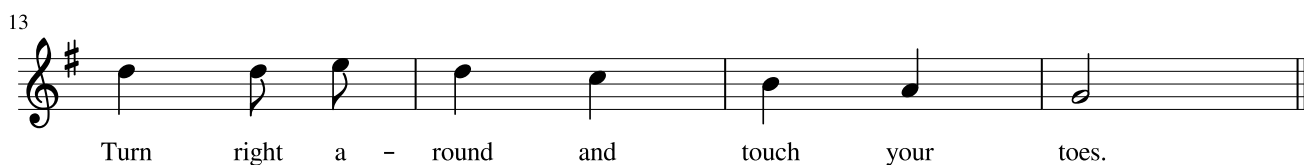

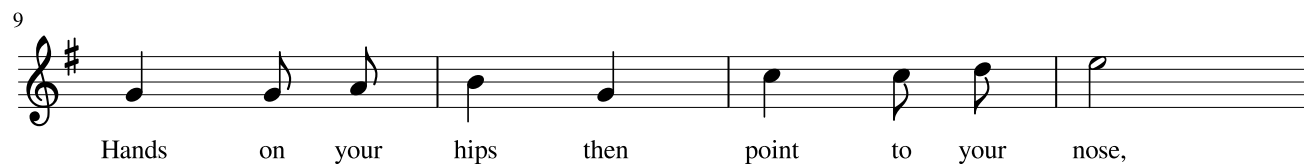

Hop, Sonny, Hop!

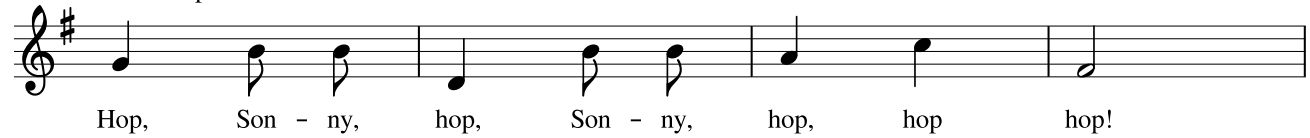

Two versions together -
not to be sung like this!

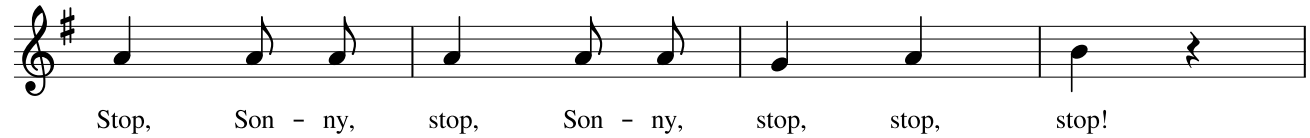

Version for flexible
 voice - larger stretch -
preferable version

Version for more
narrow voice range -
OK but not preferred
